

KUONI TRAVEL GOES LIVE WITH VOYAGE MANAGER FOR ITS CORPORATE CLIENTS

(Cambridge, 10 December 2014) Leading global travel management company Kuoni Travel has gone live with market leading travel tracker, Voyage Manager, to its corporate clients.

Voyage Manager is proud to announce that Kuoni Travel has chosen Voyage Manager as the provider of travel tracking for more than 200 of its corporate customers. Kuoni will offer Voyage Manager's standard travel tracker free of charge for a six months' trial period. During this period the clients will be given the opportunity to also try additional features such as travel alerts, pre trip country profiles and country profile library, as well as the confidential travel vault.

Mr. Serge Bacher of Kuoni Travel said that "Kuoni Travel is always working to create the best possible experience for our customers and their travellers. Voyage Manager's travel tracker will provide additional security on journeys and make it easier to manage travellers, and fits perfectly with the rest of our product portfolio and the strategy of Kuoni Travel. Offering a travel tracker free of charge is a new way of offering services, and is possible thanks to the flexibility of Voyage Manager's platform."

"We are excited that Kuoni Travel has chosen Voyage Manager as the provider of travel tracking to their corporate clients. We are confident that our versatile and advanced system will be well received and add value to Kuoni's clients", said John Scott, CEO of Voyage Manager.
